Commission Free Fortune Pai Gow Poker[®] Progressive features head-to-head play against the dealer, and the optional Fortune Bonus, Tiger 9 and progressive wagers.

This is a commission-free game. You do not pay 5% commission when you beat the dealer; rather, when the dealer plays 9-high in their low hand, you automatically push.

GETTING STARTED

To begin each round, make a standard Pai Gow wager. You may also make the Fortune Bonus, Tiger 9 and progressive wagers.

FORTUNE BONUS

The Fortune Bonus bet wins if your best possible five-card hand is three-of-a-kind or better. If you wager at least \$5 on the Fortune Bonus, the dealer will place an “envy” button next to your bet. This qualifies you for an envy bonus payout when any other player at the table has at least a four-of-a-kind or higher. See pay table for odds.

The dealer will pay all envy bonuses at the end of the round. If at least one player has a four-of-a-kind or higher, all players with envy buttons win. If more than one player has at least a four-of-a-kind, then all players with envy buttons win multiple payouts. See pay table for odds.

Note: You cannot win envy bonuses for your hand or the dealer’s hand.

TIGER 9

This bet wins if the dealer is forced to play 9-high in his low hand. See pay table for odds.

PROGRESSIVE

The progressive wager qualifies you for payouts from the progressive jackpot. See pay table for odds.
